To our valued customers, We are extremely grateful for your continued patronage. You may notice that a few of your favorite items are not currently available. Our goal has always been to provide our community with a fun atmosphere anchored by friendly and dedicated staff while serving a large selection of delicious menu items. Unfortunately, current times have made it difficult or impossible to receive certain food selections. As a result, we have temporarily limited our menu in order to continue to provide the same excellence in meal quality and consistency. We are so appreciative of your understanding and hope you have a wonderful visit with us.
